

Ms. Angelica was a patient in East Jefferson General Hospital. She fell out of her bed causing injury to her back. The legation is that defendant breached the standard of care that was expected of it due to negligence following their fall prevention procedures which we did have per treated Ms.

Description

Client: Escher Angelica
139 Willowbrook
Gretna, LA 70056

Here is the pertinent information:

When the suit is filed I will supplement this disclosure with a case number to be filed in the 24th JDC for the Parish of Jefferson. It will be filed on or before October 8, 2008. I am of Tim Beloan whose address is 5044 Laplace Blvd, Metairie, Louisiana. The trial suit will be filed in January 31, 2009. My co-counsel on this matter will be attorney who the association was made on concerning with my client, she has instructed me to pursue the claim. This decision was made on this matter in front of a medical review panel which found no liability against the defendant after this medical review panel which found no liability against the defendant.
